**VIRGINIA’S ECONOMY TRANSFORMS**

During the 20th century and beyond, Virginia changed from a rural, agricultural society to a more urban, industrial society.

During the early 20th century, agriculture began to change.
- Mechanization (the tractor) and improvements in transportation changed farming.
- Crop prices were low.

Growth of Virginia’s cities
- People moved from rural to urban areas for economic opportunities.
- Technological developments in transportation, roads, railroads, and streetcars helped cities grow.
- Coal mining spurred the growth of Virginia

During the 20th century, Northern Virginia has experienced growth due to increases in the number of federal jobs located in the region.

In the late 20th century and the early 21st century, Northern Virginia and the Coastal Plain (Tidewater) region have grown due to computer technology.

Virginia’s population has become increasingly diverse as people have moved to Virginia from many other states and countries.

**DESEGREGATION & MASSIVE RESISTANCE**

After World War II, African Americans demanded equal treatment and the recognition of their rights as American citizens.

As a result of the Civil Rights Movement, laws were passed that made racial discrimination illegal.

Terms to know
- Segregation: The separation of people, usually based on race or religion
- Desegregation: Legal end of racial segregation
- Integration: Full equality of all races in the use of public facilities

Desegregation and Massive Resistance in Virginia
- Barbara Johns, a 16-year-old high school junior in Farmville, Virginia, led a student strike against segregation in 1951.
  - The case, Davis v. Prince Edward, became one of the five cases reviewed by the U.S. Supreme Court when it declared segregation unconstitutional in Brown v. Board of Education.
  - The U.S. Supreme Court ruled in 1954 (Brown v. Board of Education) that “separate but equal” public schools were unconstitutional.
  - All public schools, including those in Virginia, were ordered to desegregate.
  - Virginia’s government established a policy of Massive Resistance, which fought to “resist” the desegregation of public schools.
  - Some schools were closed to avoid desegregation.
The policy of Massive Resistance failed, and Virginia’s public schools were integrated.

Harry F. Byrd, Sr., led a Massive Resistance Movement against the desegregation of public schools.

Many individuals from Virginia have had social, political, and economic impact on life in Virginia during the twentieth century and beyond.
